

FIREARM LICENSING AUTHORITY

Declaration of Secure Location to Store Firearm

I (insert name here) _____ of

(insert address of storage location here) _____

hereby attest to the fact that I have installed the proper infrastructure to safely store my (check appropriate box)

Pistol Revolver Shotgun Rifle Air Rifle Air Pistol

Such infrastructure is sufficiently large to accommodate the above mentioned firearm(s) and was constructed from at least ¼ inch thick steel with a secure locking device. It has been pinned into a permanently fixed concrete or steel structure using **rawl** bolts which is only accessible from inside the cabinet of the metal framework of the storage facility. This infrastructure has been placed in an inconspicuous place.

I take full responsibility for this firearm and will make its safety and security infrastructure available for inspection by Firearm Licensing Authority Official(s) on request.

I declare that all information stated on this form is accurate and I am aware that making a false declaration on this form may result in the immediate revocation/cancellation of the licence(s) and/or approvals granted to me.
